Design a player template

Name: _____

Introduction

The Premier League would like you to design your own player.

Instructions

Use the templates to draw and colour in your own football player. You can fill in data for your ideal football player, for example his/her height, shirt number and place of birth.

Before sharing online, think about what personal information you feel comfortable sharing.

The template consists of a central rectangular area for drawing the player. To the left and right of this area are vertical bars with various input fields and icons. Arrows point from labels to these fields.

Left side labels and fields:

- Football club** → [Field]
- Shirt number** → [Field]
- Height** → [Field]
- Image of player** → [Central drawing area]
- Name** → [Field]
- Date of birth** → [Field]

Right side labels and fields:

- Age** ← [Field]
- Flag of nationality** ← [Field]
- Nationality** ← [Field]
- Position** ← [Field]
- Place of birth** ← [Field]

The template also includes a Premier League logo in the top right corner and a hexagonal pattern at the bottom.

Design a player template

The template is designed for creating a Premier League player card. It includes the following elements:

- Central Player Image:** A line drawing of a player's head and shoulders, intended for a custom illustration.
- Left Panel:** Contains a box for a club crest, a t-shirt icon, and a box for the player's name.
- Right Panel:** Contains a circular Premier League logo, a box for the player's number, and two boxes for the player's position.
- Bottom Left:** A field labeled "D.O.B." for the player's date of birth.
- Bottom Right:** A dropdown menu for selecting the player's position.
